

Proposal to Amend Market Rule

All information submitted in this process will be used by the NSPSO solely in support of its obligations under the "Electricity Act, S.N.S. 2004", C. 25, the "Market Rules" and associated policies, standards and procedures. All submitted information will be assigned the appropriate confidentiality level upon receipt.

1. Proposer's Identification

Name of proposer: Nova Scotia Power System Operator

Market Participant ID: (if applicable; 4 digits) NSSO

Contact person for this request (Name and position): Natasha Flynn

Contact person phone: 902-483-3826

Contact person E-mail: Natasha.Flynn@nspower.ca

2. Proposed Market Rule Amendment

Urgent Amendment Minor Amendment Material Amendment Special

Please provide the following information:

a) Section(s) of the Market Rules to which the proposed change relates:

Chapter 2 Appendix 2C

b) The reason for the request:

The Wholesale Market Advisory Committee determined that Renewable to Retail was not included in the Membership list of the committee.

Changes were required to allow the Department of Natural Resources and Renewables to extend the length of term for non-NSPI committee members.

Edits were approved by Wholesale Market Advisory Committee on September 20, 2022.

c) A detailed description of the proposed content of the requested change:

Amended Appendix 2C.2 Membership to include Renewable to Retail, NSPI Marketing and wording about maintaining a balance of votes between NSPI and non-NSPI members.

Changed the Department of Energy to Department of Natural Resources and Renewables throughout Appendix 2C.

Edited 2C.3.5 to allow the Department of Natural Resources and Renewables to extend the term length for a member of the Wholesale Market Advisory Committee.

Proposal to Amend Market Rule

d) A description of any adverse impacts if the NSPSO does not proceed with the adoption of the requested change and the any positive impacts if the NSPSO proceeds with the adoption of the requested change:

Wholesale Market Advisory Committee requires these amendments to allow Renewable to Retail participants to be part of the committee and allow the Department of Natural Resources and Renewables to extend the term length for a member of the Wholesale Market Advisory Committee.

3. Additional Information

Wholesale Market Advisory Committee made the proposed edits and approved them during the September 20, 2022 Committee meeting.

4. Confidential Information

Is Confidential Information being submitted and included in Schedule A?

No Confidential Information.

If yes, confirm whether the third party (a) has read and understood the provisions of the Market Rules, and Market Procedure MP-01 as they relate to the treatment of Confidential Information; and (b) understands that the NSPSO will Publish information relating to this request as described in Market Procedure MP-01. (Y/N)
